Argue

Matchbox Twenty

She don't, but she will he says, "Anything to keep her by him"
She takes, what she gets and she never did flinch no
So over and over and anyone
With any mind would think that's all she getsIf you want you can get to know me well
We get along so we shouldn't argue yeah
And I don't know, I said I don't know no
All these feelings, cloud up my reasoning
Yeah they cloud up my reasoning yeahI know, but I still believe in ignorance as my best defense
So go on, wreck me funny how I carry on and not be taken over
I will not roll over on anyone
'Cause anyone would stand up on my sideIf you want you can get to know me well
We get along so we shouldn't argue yeah
And I don't know, I said I don't know no
All these feelings, cloud up my reasoning
Yeah they cloud up my reasoning yeahYou know it's funny how sometimes
It don't work out like you want to
No you never get nothing at all
Then she tells you that it's overBoy don't you hate it when it's over
I guess something just got lost
And it deeply saddens me
So over and over anyone who's anyoneIf you want you can get to know me well
We get along so we shouldn't argue yeah
And I don't know, I said I don't know no
All these feelings, they cloud up my reasoningWe get along so we shouldn't argue yeah
We get along so we shouldn't argue yeah
We get along so we shouldn't argue yeah
