Caesar

Darq E Freaker

I want to annoy
And I'm going to enjoy it
And merely 'cause we're bored
Merely because we're bored.'Cause all you do is hope
You're all fucking hopers
And it's the Lord of the Flies all over again
It's the Lord of the Flies all over againNow who holds the shell will be Caesar
You can even have it written on your t-shirt
Now who holds the shell will be Caesar
You can even have it written on your t-shirtHere we go
King of the hopers will fall
We're gonna knock down the walls
Singin' the Caesar will fall
We gonna knock down his doorsI've heard it all before
And I chose to ignore it
There's someone at your door
There's somebody at your doorPrepare for the test
We'll all get infested
Now it's the Milgram device all over again
It's the Milgram device all over againNow who holds the shell will be Caesar
You can even have it written on your t-shirt
Now who holds the shell will be Caesar
You can even have it written on your t-shirtHere we go
King of the hopers will fall
We're gonna knock down the walls
Singin' the Caesar will fall
We gonna knock down his doorsHey, Caesar
Yo, Coco
'Ello, geezer
Hey, momma
Can you fly?
Yup
I've heard robins can fly
Whatever
Huh?
We're gonna knock down the wallsKing of the hopers will fall
We're gonna knock down the walls
Singin' the Caesar will fall
We're gonna knock down the walls, knock down the wallsKing of the hopers will fall (We're gonna knock

down the walls [x4])
Singin' the Caesar will fall (knock down the walls [x8])I'm going to enjoy it
