Just Enough

Aslyn

I think, I heard you say it
Correct me if I'm wrong
After the fact, you're love ain't all gone
Wish I had a tape recorder
To lay down all the mess
It seems you forgot the manner you leftOh, how I cried for you, baby
Saying, "Freaky, don't leave me"
Sounds cruel and crazy
But I'm gonna enjoy this 'causeI like to believe that you see
That you need me so bad
I'll backwash you, you're dirty spoon
You've been there so find the stubAnd here's a band-aid brand new
For the bruises on your begging knees
You turned around and the time I found
Was just enough for me, just enough for meExcuses are your, "I'm sorry"
To go over and under and through
The wood to see without me, you're no good
Funny how 4 weeks ago
Could not spare to throw me a bone
Won't hear me complain how the roles have turnedOh, so carry on, baby
Tell me how you need me
Sounds cruel and crazy
But I'm gonna milk this 'causeI like to believe that you see
That you need me so bad
I'll backwash you, you're dirty spoon
You've been there so find the stubAnd here's a band-aid brand new
For the bruises on your begging knees
You turned around and the time I found
Was just enough for meNow conversation with you, I won't run
'Cause how it came around is so much fun
So much funI like to believe that you see
That you need me so bad
I'll backwash you, you're dirty spoon
You've been there so find the stubAnd here's a band-aid brand new
For the bruises on your begging knees
You turned around and the time I found
Was just enoughYou turned around and the time I found
Was just enough
You turned around and the time I found

Was just enough for me, just enough for me
