

# Slowly

## Boyz II Men

Nightfall, here we are, making love history it's  
Sexual, natural, the feeling that you give me  
We've been at it for hours  
Now, and I see no signs of it slowing down  
Girl you're so beautiful, I just wanna lay back And watch you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me  
I feel you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you own me Got no where to go, it's just you and me and the radio  
And your warm skin, cold wine, holding you as you're moving in a slow  
Grind  
Having you in my bed, fulfills every fantasy in my head  
As we make this memory, nothing better than for me to Watch you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me  
When you do it to me, its like a work of art, yeah  
I feel you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me Baby slow it down, rock it back, and rewind it back  
Right now you're a part of me, I know you're a part of me  
Inside is where I have to be  
We can do it like it's supposed to be done  
And together we will become one  
Feel my love, my love, is just for you Watch you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me  
I feel you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you own me Watch you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me  
I feel you rock me slowly, slowly, slowly,  
Love your body on me, on me,  
Like you want me
