

Blood Money

Nitzer Ebb

Thou take your dreams away
Thou take your dreams away
Thou take your dreams away
Thou take your dreams away Hold on to life, hold back the door
Hold on to life, hold back the door Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away Shed faith, shed faith Don't take the pill
Don't ask for more
Don't take the pill
Don't ask for more Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away Well, who we are close
Cut out the shame
Well, who we are close
Cut out the shame Thou take your dreams away
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away
Thy creeping upon you
Thou take your dreams away Shed faith, shed faith
Shake it, shake it
Shake it, shake it I believe in Bible
And I believe in what God said
They weren't doing what God said
God said take from the rich
And give to the poor He didn't say take from the poor
And give to the rich
And that's what they were doing
And that's what they were doing I believe in Bible
And I believe in what God said Money, money for blood
Money, money for blood
Money, money for blood

Money, money for blood Don't take that cross away
Don't take that cash away
(I believe in the Bible)
Don't take that cross away
(And I believe in what God said)
Don't take that cash away Don't take that cross away
(I believe in the Bible)
Don't take that cash away
(And I believe in what God said) Money, money for blood
Money, money for blood
Money Don't take that cross away
Don't take that cash away
(I believe in the Bible)
Don't take that cross away
(And I believe in what God said) Don't take that cash away
(I believe in the Bible)
Don't take that cross away
(And I believe in what God said) Don't take that cash away
(I believe in the Bible)
(And I believe in what God said)
Money, money, money
