

Hatework

Morbid Angel

(Music : Rutan / Lyrics : Vincent)

Hatework...
Bringer of doom
Hatework...
What I have in store
What has the devil got to do with it
Im brewing my toil
So the brimstone comes this way
Nightwork...
My lifes work
Nightwork... world in flames
This calls for fire
This is a call for uin
We will be departed
Leave the rot so lonely
Hatework...
Bringer of doom
Hatework... and turmoil comes...
Hatework...
My work
Hatework... and the earths left burning
I call death... dath is answering me
And a world betrayed is black forever
