

# You Alone (Demo Version)

## Kutless

In Your hands  
You hold every star  
And You hold my heart  
My beating heart With Your voice  
You created life  
And opened up my eyes  
My blinded eyes There is one like You, no one Great is the Lord  
Ruler of all  
You alone  
Conquered the grave  
You are the way  
You alone  
You alone At the cross  
You stretched out Your arms  
Now You wear the scars  
You wear the scars At Your name  
Every knee will bow  
Every voice will shout  
We will shout There is one like You, no one Great is the Lord  
Ruler of all  
You alone  
Conquered the grave  
You are the way  
You alone  
You alone We lift our holy hands to You our Savior  
Your love is shining through the dark  
We wanna see Your kingdom  
Reign forever  
Jesus we worship who You are There is one like You, no one  
There is one like You, no one  
There is one like You, no one  
There is one like You, no one Great is the Lord  
Ruler of all  
You alone  
Conquered the grave  
You are the way  
You alone Great is the Lord  
Ruler of all  
You alone

Conquered the grave  
You are the way  
You alone  
Jesus, You alone
