Nothing Like Christmas

Anthem Lights

I've always loved this time of year
Friends and family so dear It feels like everybody's here
That's why I've always loved this time of year
I've always loved the Christmas lightsThe way that they light up the night the red and green just feels so right
That's why I've always loved the Christmas lights
I've always loved the songs we'd sing
a holy night in harmony can make you feel the special thingThat's why I've always loved the songs we'd sing
As the snow falls down down down a bit of heaven covers the ground
As the snow falls down down down I feel His presence all around
As the snow falls down down down (nothing like Christmas) a bit of heaven coversthe ground (nothing like Christmas)
As the snow falls down down down (nothing like Christmas) I feel His presence all around (nothing like Christmas)
I've always loved that starry night we celebrate at Christmas time
Salvation came with that baby's cry
That's why I've always loved that starry night
