Exciting Whistle-Ah

Mclusky

Hippies, hippies everywhere
And not a drop to drink
The bastards got a mini barYou'll go far
Exciting whistle-ah, woo-wooNeighbors, neighbors everywhere
They're coming through the walls
They're semi-erect to my dialectYou'll go far
Exciting whistle-ah
Exciting whistle-ah
Exciting whistle-ah, woo-wooDevils, devils everywhere
And not a gun in site
They said they came from CanadaYou'll go far
Exciting whistle-ah, woo-wooHippies, hippies everywhere
And not a bloody chance
A decent seven in this placeYou'll go far
Exciting whistle-ah
Exciting whistle-ahExciting whistle-ah
Exciting whistle-ah
Exciting whistle-ah
Exciting whistle-ah
