

Supertime

Joey + Rory

Many years ago in days of childhood
I used to play till evenin' shadows come
Then windin' down an old familiar pathway
I heard my mother call at set of sunCome home, come home it's supertime
The shadows lengthen fast
Come home, come home it's supertime
We're going home at lastIn visions now I see her standin' yonder
her familiar voice I hear once more
She said the banquet table's ready up in Heaven
Its supertime upon the golden shoreCome home, come home its supertime
The shadows lengthen fast
Come home, come home its supertime
We're going home at last
Child you're going home at last
