Overdose

Ciara

[Chorus]I took your love think I took too much (whoa)
Somebody call the doctor, somebody call the doctor (doctor)
I took it all but it's not enough (no)
Somebody call the doctor, somebody call the doctor (doctor)
Don't let, don't let, don't let, don't let go
Don't let, don't let, don't let, don't let go
Hold me tight I'm coming down
I need your love and I need it now
Don't let, don't let, don't let, don't let go
Don't let, don't let, don't let, don't let go
Somebody call the doctor before I overdose
[Verse]Im feeling crazy going back & forth
caught inside your storm (storm)
But i want some more (more)
High off your kisses and your daily touch

Come on keep me up (up)
Cause I need the rush (rush)
Let me fall, let me fall baby let me drown
can't breath, can't breath give me mouth to mouth
Got my heart beat racin' not slowin' down
Got me sweatin', got me shakin', I'm freakin' out
[Chorus]I took your love think I took too much (whoa)
Somebody call the doctor, somebody call the doctor (doctor)
I took it all but it's not enough (Noo)
Somebody call the doctor, somebody call the doctor (doctor)
Don't let, don't let, don't let, don't let go
Don't let, don't let, don't let, don't let go
Hold me tight I'm coming down
I need your love and I need it now
Don't let, don't let, don't let, don't let go
Don't let, don't let, don't let, don't let go
Somebody call the doctor before I overdose
