# God Is Dead

## Carnivore

Advisory - the following lyrics contain explicit language:

God looked down from Heaven, shook his head and weeped
His flock had gone astray, wolves mingling with sheep
He tried to save man once by sending down a son
But the bastards nailed him up and laughed at what they'd doneYou gang raped mother nature, I love a virgins cry
Blood poured from the earth she suffered and she died
Rusty scissors still in hand you castrated father time
Feed his balls to the hounds that drink his cum like wineYou've taken all my precious gifts
I gave unto you life from by breath
But you a product of my love
Your gratitude shown in my deathGod is dead
God is deadThe devil has taken your spirit
Keeps it chained up in the night
Tells you that evil is good
But you, you will never see the lightBecause God is dead
God is dead
God is dead
DEICIDE!Eat his body drink his blood
Then we'll sing our song of loveYeah, now you come crawling on your hands and knees
You beg for forgiveness suck me till I bleed
And for your transgressions heretical blasphemy
The punishment is damnation you'll burn interminablyLook what you've done to nature
And what you 've done to time
There's no more room in Hell
You sinners, you steal what is mineGod is dead
God is deadAnd now the dead walk the earth
There's nowhere to hide
The devil and his disciples
Rejoice my suicideGod is dead
God is deadGod is dead
God is dead
