Stomp (Remix)

Young Buck, T.I. & Ludacris

For those of you that think gospel music has gone to far
You think we got too radical with our message
Well, I got news for you, you ain't heard nothin' yet
And if you don't know, now you know, glory, glory
Lately, I've been going through some things that really got me down
I need someone, somebody to help me, come and turn my life around
I can't explain, I can't obtain it, Jesus your love is so, it's so amazing
It gets me high up to the sky and when I think about Your goodness
It makes me wanna stomp, makes me clap my hands
Makes me wanna dance and stomp
My brother can't you see I got the victory? Stomp!
Lately, I've been going through some things that really got me down
I need someone, somebody to help me, come and turn my life around
I can't explain, I can't obtain it, Jesus your love is so, it's so amazing
It gets me high up to the sky and when I think about Your goodness
It makes me wanna stomp, makes me clap my hands
Makes me wanna dance and stomp
My brother can't you see I got the victory? Stomp!

When I think about the goodness and fullness of God
Makes me thankful, pity the hateful, I'm grateful

The Lord brought me through this far
Trying to be cute when I praise him raise Him high
I keep the live beat bumping
Keep it jumping make the Lord feel something
Ain't no shame in my game, God's property
Kickin' it wit Kirk ain't no stoppin' me, uh stomp
GP are you wit me?
Oh yeah, we having church, we ain't going nowhere
Oh yeah, we having church, we ain't going nowhere
Oh yeah, we having church, we ain't going nowhere
Oh yeah, we having church, we ain't going nowhere
Stomp, stomp, stomp, stomp, stomp, stomp, stomp, stomp
I promise the stomp, the whole stomp, nothin' but the stomp
It ain't over, it ain't over
Stomp, stomp, stomp, stomp, stomp, stomp, stomp, stomp
I promise the stomp, the whole stomp, nothin' but the stomp
Stomp, stomp, stomp, stomp, stomp, stomp, stomp, stomp

I promise the stomp, the whole stomp, nothin' but the stomp
Stomp, stomp, stomp, stomp, stomp, stomp, stomp, stomp
I promise the stomp, the whole stomp, nothin' but the stomp
...
