

Soulshine

Pat Green

When you can't find the light
That guides you through a cloudy day
When the stars ain't shining bright
You feel like you've lost your way
When those candle lights of home
 Burn so very far away
You've got to let your soul shine
Just like my daddy used to sayHe used to say soulshine
 Was better than sunshine
 It's better than a moonshine
 It's damn sure better than rain
 And the people don't mind
Cause we all get this way sometimes
 You gotta let your soul shine
And shine til the break of dayI grew up thinking that I had it made
 Gonna make it on my own
Love can take the strongest man
 And make him feel so alone
 Now and then I feel a cold wind
 Blowing through my aching bones
 I think back to what my daddy said
He said boy, at the darkness before the dawnHe used to say soulshine
 Was better than sunshine
 It's better than moonshine
 And damn sure better than rain
 And now people don't mind
 We all get this way sometimes
 You gotta let your soul shine
Shine til the break of dayWell sometimes a man
 Can feel this emptiness
 Like a woman
Has robbed him of his bitter soulA woman too
 God knows
 She can feel like this
 And when your world seems so cold
You gotta let your spirit take controlLet your soul shine
 It's better than sunshine
 It's better than a moonshine
 And damn sure better than rain

And oh, now people don't mind
We all get this way sometimes
You gotta let your soul shine
Shine til the break of daySoul shine
It's better than a sunshine
It's better than moonshine
Damn sure better than rain
And the people don't mind
Cause we all get this way sometimes
You gotta let your soul shine
And shine til the break of day
