

# Stars Above US (DJ Jeff Barringer Club Mix)

## Saint Etienne

[Chorus]  
Stars above us  
Cars below us  
Out on the rooftop baby  
Stars above us  
Cars below us  
Nothing can touch us baby Just had to get out of there  
I'm tired of all of those faces  
Up here is out of sight  
Outside with the breeze on our faces Let's go up the stairway  
My band doing it their way  
Our sound's ruling all the airwaves  
Butterflies taking flight [Chorus: x2] (Sun sets) over the city  
(Won't you) come and catch it with me?  
(Follow me) right up the stairway  
Let's have some fun tonight [Chorus: x2] (La la la rooftops)  
(La la la rooftops)  
Stars above us  
(La la la rooftops)  
(La la la rooftops)  
[etc to fade]
