

# Hurricane

## HEIDECKER & WOOD

It came on like a hurricane  
And I don't understand  
And it moved me like a slow dance  
Still I don't understand  
It pushed me like a tailwind  
And I don't understand  
And it came in through the back door  
And I don't understand  
Still I don't understand  
You're all that I could need  
And I'm falling on my knees  
Hurricane, you pulled me out of the past  
And landed me in today  
Hurricane, you pulled me out of the past  
And walked me into tomorrow  
Hurricane  
It picked me like a cherry  
And I don't understand  
And it killed me with the craving  
Still I don't understand  
It thrilled me to starvation  
And I don't understand  
And it stripped me ugly naked  
And I don't understand  
Still I don't understand  
You're all that I could be  
And I'm falling on my knees
