

# All Eyez On Me

Monica

I see you girl. Darkchild.  
I got my eyez on you.  
Let me see what you workin' with.  
Let's dance yeah come on, come on. When I step in the club  
There's so much Love  
All Eyez on Me  
All the girls and thugs  
Glasses go up  
It's that time baby  
If you're looking right  
And your game is tight  
Come chill with me  
Get up on the floor  
And dance some more  
The night's just beginning I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know u do I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know u do Now when I'm doin' my thang  
You checkin' for me  
Just step my way  
Don't you be  
Too shy or be ashamed  
You get love from me  
So when we movin' close  
We're toe to toe  
Just dance with me  
And when we've come to an end  
Me and my friends  
We'll do it again I can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'

And I can tell that you're feeling it, too  
Know u doI can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know u doI can feel your eyez on me  
You're watchin'  
And off up in the club  
Tonight it's poppin'  
And I can tell that you're feeling it, too  
Know u doI can feel your eyez on me  
You're watchin'  
And off up in the club

And I can tell that you're feeling it, too
