

# If I Lost My Legs

**Kyron Bourke**

If I lost my legs,  
how would I follow you our the door  
If I lost my legs,  
how would I follow you out the door  
I've been following you for so long, I forget what it's forx2

And if I lost my arms,  
who'd hold you in the night when you're having your nightmares?  
If I lost my arms  
Who'd hold you in the night when you're having your nightmare

I've been holding on so tight  
I've been holding on so right  
I've been holding on so tight

If I lost my religion  
Maybe God would take me by the hand  
And if I could give up the religion  
Maybe God would take me by the hand  
And then you and me baby, would just be a part of the chainx4
