

Let Me Put My Love Into You

AC/DC

Flying on a free flightÂ
Driving all nightÂ
With my machineryÂ
'Cause I got the powerÂ Any hourÂ
To show the man in meÂ
I got reputationsÂ
Blown to piecesÂ With my artilleryÂ
I'll be guided inÂ
We'll be ridin'Â
Given what you got to meÂ Don't you struggleÂ
Don't you fightÂ
Don't you worryÂ
'Cause it's your turn tonightÂ Let me put my love into you, babeÂ
Let me put my love on the lineÂ
Let me put my love into you, babeÂ
Let me cut your cake with my knifeÂ Like a feverÂ
Burning fasterÂ
You spark the fire in meÂ
Crazy feelingsÂ
Got me reelingÂ
They got me raising steamÂ Don't you struggleÂ
Don't you fightÂ
Don't you worryÂ
'Cause it's your turn tonightÂ Let me put my love into you, babeÂ
Let me put my love on the lineÂ
Let me put my love into you, babeÂ
Let me cut your cake with my knifeÂ Let me put my love into you, babeÂ
Let me put my love on the lineÂ
Let me put my love into you, babeÂ
Let me cut your cake with my knifeLet me put my love into you, babeÂ
Let me put my love on the lineÂ
Let me put my love into you, babeÂ
Let me give it all, let me give it all
To you, to you
Give it all
