Who Returned

Arthur Beatrice

Strength is no virtue
When you've nobody to hurt you
And you run from all the things you want to feel
What did you ever learn?
From those who returned
Form those who gave you nothing more to long forYou can never be whole
If you never been broken
Find no strength in myself
All I have is this emotion
What are you up doing, I don't hear from you
What are you up doing, I don't hear from you
What are you up doing, I don't hear from you
What are you up doing, I don't hear from youIf only you could tell me what I need to hear
If I believe the words on your teeth
Then we would be fine
We would be fine, oh we would be fine
Oh we would be fine
You can never be whole
If you never been broken
Find no strength in myself
All I have is this emotion
All I have is this emotion
All I have is this emotion
