Open Sky

The Distillers

Open sky, open ether, open, rise up inside
I see it, it's true, yeah, it's true
Open sky, open ether
All rise up in ether, all rise up inside
Believe it, it's true, yeah, it's trueOpen sky, open ether, open and rise up inside it
I see it, it's true, yeah, it's true
All rise elitists, all rise up insideAll this shit I'll listen
All this shit I'll listen, I'll listen
All this shitAll this shit I'll abdicate it
I'll work it out across the nation
I'm breathing, baby, I'll listen
All this shit I'll work it outOpen sky, open ether, open and rise up inside
I see it, it's true, yeah, it's true
Open sky, open ether, all rise up inside
I see it, it's true, yeah, you're thoughAll this shit I'll listen
All this shit I'll work it out
All this shit in the nation
I'm breathing but I'll say shit
Oh, you really pity me
'Cause I'll take you out
