

Open Sky

The Distillers

Open sky, open ether, open, rise up inside
I see it, it's true, yeah, it's true
Open sky, open ether
All rise up in ether, all rise up inside
Believe it, it's true, yeah, it's true Open sky, open ether, open and rise up inside it
I see it, it's true, yeah, it's true
All rise elitists, all rise up inside All this shit I'll listen
All this shit I'll listen, I'll listen
All this shit All this shit I'll abdicate it
I'll work it out across the nation
I'm breathing, baby, I'll listen
All this shit I'll work it out Open sky, open ether, open and rise up inside
I see it, it's true, yeah, it's true
Open sky, open ether, all rise up inside
I see it, it's true, yeah, you're though All this shit I'll listen
All this shit I'll work it out
All this shit in the nation
I'm breathing but I'll say shit
Oh, you really pity me
'Cause I'll take you out
