Honey Bucket

Melvins

End times I Pella 45
I go for a chance to glean
Got my motor fast at wheel
Built fast and clear
Drop-top it, black it for mar
Canâ€™t drop the special kids
Triple Iâ€™s and head down divine
Yes, Iâ€™m D.S.Iâ€™s

Donor case of Bastard, Iâ€™ve seen down
Baby enter New Orlean
Ainâ€™t about to pimp my rounds
Doozieâ€™s in my way
Iâ€™m as fast as my old DAM
Weâ€™ve got some old stuff on
Been around at solar tan
Never did no war.
