

Voodoo In You

Johnny Jenkins

Oooh, I'm not... really superstitious.
And I don't believe, black cats bring bad luck...oh no.
And I'm not, afraid to walk under ladders.
You sprinkle voodoo dust all around my door, if you must.
Well listen to me.(Chorus)
But the voodoo in you (3x) is makin' a believer... out of me woman.
Ahhh, mirrors, to break your heart says, ohhh no they don't.
And I don't believe, hey oh whoah, in witches tale.
And I don't, I don't carry no horseshoes. No no.
Lost my groove in Yuma, I ain't a goin' to jail. No I ain't... just kidding.(Chorus)
Do our thing right here.
