

Slice Me Nice

Fancy

My body's burning like a flame that's blue
It's time for action and I want it from you.

Slice me nice - slice me nice.

My heart is beating to the rhythm of love
I need you
baby

like cold hands need a glove.

Slice me nice - slice me nice.
I'm like a cake that wants to be baked
I'm like a pie made for hungry guys.

My body's burning like a flame that's blue
It's time for action
baby

got me and you.

Slice me nice - slice me nice.
SLICE - slice me nice

SLICE - slice me nice
S L I C E - slice me nice

S L I C E - slice me nice
Slice me nice.

My body's burning like a flame that's blue

...

I'm like a cake that wants to be baked

...

S L I C E - slice me nice

S L I C E - slice me nice

...

SLICE - slice me nice

SLICE - slice me nice

...
