

# Wait For You

## Elliott Yamin

I never felt nothing in the world like this before  
Now I?m missing you and I?m wishing  
You would come back through my door, ooh  
Why did you have to go? You could've let me know  
So now I?m all alone  
Girl, you could have stayed but you wouldn?t give me a chance  
With you not around it?s a little bit more than I can stand, ooh  
And all my tears they keep running down my face  
Why did you turn away?  
So why does your pride make you run and hide  
Are you that afraid of me?  
But I know it?s a lie what you keep inside  
This is not how you want it to be  
So baby, I will wait for you  
'Cause I don?t know what else I can do  
Don?t tell me I ran out of time  
If it takes the rest of my life  
Baby, I will wait for you  
If you think I'm fine it just ain?t true  
I really need you in my life  
No matter what I have to do, I?ll wait for you  
Been a long time since you called me  
(How could you forget about me?)  
You gotta be feeling crazy  
How can you walk away, everything stays the same  
I just can?t do it baby  
What will it take to make you come back?  
Girl, I told you what it is and it just ain?t like that  
No, why can?t you look at me? You?re still in love with me  
Don?t leave me crying  
  
Baby, why can?t we just, just start over again?  
Get it back to the way it was  
If you give me a chance I can love you right  
But you?re telling me it won?t be enough  
So baby, I will wait for you  
'Cause I don?t know what else I can do  
Don?t tell me I ran out of time  
If it takes the rest of my life

Baby, I will wait for you  
If you think I'm fine it just ain't true  
I really need you in my life  
No matter what I have to do, I'll wait for you  
So why does your pride make you run and hide  
Are you that afraid of me?  
But I know it's a lie what you're keeping inside  
That is not how you want it to be  
Baby, I will wait for you  
Baby, I will wait for you  
If it's the last thing I do  
Baby, I will wait for you  
'Cause I don't know what else I can do  
Don't tell me I ran out of time  
If it takes the rest of my life  
Baby, I will wait for you  
If you think I'm fine it just ain't true  
I really need you in my life  
No matter what I have to do, I'll wait for you  
I'll be waiting
