[Omarion talking:]
Yeah, uhh, Yeah

Omarion Solo, Yall aint ready
It's time, Tick, Tock, Tick, Tock[Verse One:]One, and here comes the two to the three
And four
Girl yo` body sick,
You the hottest thang on the floor.
You bustin` through them AppleBottom jeans
And I can't stop gettin next to you
'cause I'm a fein
Lookin` at my wrist, staring at my pinky ring
Whispering in my ear real close
Sayin` kinky things
Tattoo on the small of your back
And ya booty so fat, mami shake that[Chorus:]Damn
Shorty got a hold of me
Shorty tryna take control me
Got me sayin, damn
Shorty wanna roll with me
Shorty wanna be involved with me
She got me like damn[Repeat][Verse 2:]Now we sneakin out the back door of the club
Girl I know you tipsy
Homie rollin` with me, swiftly, simply
'cause she fellin love when she kissed me
Just one touch, and shorty was history
And I aint tryna brag or boast, but ya body jivey
Need a good lovin` from a somebody
And the way you was moving, I could see you know..
What you doin girl...lets get to it girl...[Chorus:]Damn
Shorty got a hold of me
Shorty tryna take control me
Got me sayin, damn

Shorty wanna be involved with me
