

# Beg

## Bombay Bicycle Club

Feeling heart beats steal my lovers sound  
When I thought my soul burnt out  
Oh, I beg you come  
I beg you come  
I beg you come  
Make it out of there and say you feel it now  
Want you to feel it, breath it, let it take you down  
Take your time, don't throw it out  
Oh, I beg you come  
I beg you come  
I beg you come  
Just get out of there and say you need it now  
Won't you come pass the time?  
Lay your head toward the more she left behind  
Appease my mind  
So it's just this

It's all I want  
I know I'm stealing love and trading out it's light  
I'll find my hopes some time  
I beg you come  
I beg you come  
I beg you come  
Just get out of there and say you needed mine  
Won't you come pass the time  
Lay your head toward the more, she left behind  
Appease my mind  
Let the heart decide  
C'mon face this side  
So it's just this once  
It's all I need  
It's all I ever want
