

Further Shore

Harry Manx

Well I'm, off to Spain now to see the dawn
Hundred years all I'm given
Beggin you won't you tell me please
Yeah is, life simply for livin Yeah I'm mind a rollin your heart and soul
I loved you ever-y day
Seven steps here now, eight long falls
with my cold moon gone away Blinded by a thought my love
You know I, if I asked for nothing more
Than a piece of the world you live in
You could be my further shore
You could be my futher shore
Well now none too soon you know I guess I'm done
With this old world tonight
Like a tired dog, yeah now, oh my Lord
I'll be turning my bed tail light Yeah I'm off to Spain now to see the dawn
Hundred years all I'm given
Beggin you won't you tell me child
Yeah is li-fe simply for livin
Blinded by a thought my love
You know I, if I asked for nothing more
Than a piece of the world in which you live in
You could be my further shore
You could be my further shore
Blinded by a thought my love
If I asked for nothing more
Than a piece of the world in which you livin in
You could be my further shore
You could be my further shore
