

Life Is Pain, Pain Is Beauty

The Wooden Sky

Easy Jayne, please don't push me.
Get you all the things that you've been looking for.
You came out withstood from the question.
Said I'd love to see you, but I just can't get up.
Because I was only thinking of myself. I see your face in every window.
I get so high that I can't touch the floor.
Our bodies young, our fingers nimble.
Ain't there nothing we could do that we ain't done before.
I was there, I could vogue for him.
We wrote our visions on a bedroom wall.
Those days are gone, without you spinning.
Diamond dogs are barking up at heavens door. Look around. Look around. It's just stopped, plain and simple.
Heaven up to open light to see you smile.
Three whole days we sat there shipwrecked.
Yes, I got to wondering what we're stopping for. My minds array with sailor visions.
My heart ___ save me _____ so low.
Life is pain, pain is beauty.
Love's the only thing that's still worth fighting for. Look around. Look around.
Look around.
Look around. Look around
I was only thinking of myself
I was only
I was only of myself, yeah.
I was always
I was always thinking of myself. If the worlds spinning 'round and the voice makes a sound we soak up every
word.
