Do Your Thing

Edwin Mccain

Just do your thing
If it makes you feel better, yeah
Go on and sing
If it makes you feel better, yeahShufflin' feet snuck up on me now
This young man's lost his way
He don't believe all the stuff they told him
Now he's caught up in the frayHe said I've got this great big bag full of dreams
And I don't know what to do
I said a wise man gave me the key to life
Now I give it to youI said just do your thing
If it makes you feel better
Go on and sing
If it makes you feel better, yeahYou're running that race a little bit faster now
Towards your finish lines
Such a disgrace you missed all the beautiful
You can't buy back the timeSo stop and love and dance and live
And laugh until you cry
Don't wake up to realize that
Your life has passed you by
Well it just passed you byJust do your thing
If it makes you feel better, yeah
Go on and sing
If it makes you feel better, yeahYou can cling to your fears if you want to, oh yeah
To your heart and your soul you must be true, yeah yeahWell I said just do your thing
If it makes you feel better, yeah
Go on and sing
If it makes you feel better, yeahJust do your thing
If it makes you feel better, yeah
Go on and sing
If it makes you feel better, yeah
If it makes you feelJust do your thing
If it makes you feel better better better better
Go on and sing
If it makes you if it makes you if it makes youMakes you better yeah
Feel better yeah
It makes you feel better, yeah
