The Look of Love

ABC

When your world is full of strange arrangements
And gravity won't pull you through
You know you're missing out on something
Well that something depends on youAll I'm saying
It takes a lot to love you
All I'm doing
You know it's trueAll I need now
There's one thing
Yes, one thing that turns this gray sky to blueThat's the look, that's the look
The look of love
That's the look, that's the look
The look of love
That's the look, that's the look
The look of loveWhen your girl has left you out on the pavement
(Goodbye)
When your dreams fall apart at the seams
Your reason for living, your reason for leaving
Don't ask me what it meansWho's got the look?
I don't know the answer to that question
Where's the look?
If I knew I would tell youWhat's the look?
Look for your information
Yes, there's one thing, one thing that still hold true
What's that?That's the look, that's the look
The look of love
That's the look, that's the look
The look of love
That's the look, that's the look
The look of loveThat's the look, that's the look
The look of love
That's the look, that's the look
The look of love
That's the look, that's the look
The look of love
(Look of love)If you judge a book by the cover
Then you judge the look by the lover
I hope you'll soon recover
Me, I go from one extreme to anotherAnd though my friends just might ask me
They say, "Martin, maybe one day you'll find true love"

I say, "Maybe there must be a solution
To the one thing, the one thing we can't find"That's the look, that's the look
Sisters and brothers
That's the look, that's the look
Should help each other
That's the look, that's the look
Ooh, ooh Heavens aboveThat's the look, that's the look
Hip hip hooray
That's the look, that's the look
Yippee ai yippee aiay
That's the look, that's the look
Be lucky in love
Look of love
