ooo girl you nasty

[chorus]she just wanna do it all day she dont even take a breather
she just wanna walk around my place in my wife beater
she just wanna do it all day she dont even take a breather
she just wanna walk around my place in my wife beater
[verse 1]shes a nymphomaniac
brainiac
literally the smartest and the taken fact
she like girls so every girl is her theme song
she jump up on that dick and get her trampoline on
im tryna tell her how sexy she look wit cream on
and all she wanna know is why i still got my jeans on
bounce till the springs gone
ride ya till you cant continue
head board of the bead banging like a gang member
and when i gotta headache i dont do the normal nursin
when my skull hurtin yea she my skull surgeon
she don't care if she get her hair or her neck pulled
she could go all night her heart pump red bull
[chorus]
she just wanna do it all day she dont even take a breather
she just wanna walk around my place in my wife beater
she just wanna do it all day she dont even take a breather
she just wanna walk around my place in my wife beater

[verse 2]wild wild west dough, though them girls white
really give that best dome
do do head, suck me dead
leave that coffin wet, rub this lube up on yo chest
playin wit yo tittie pits, feeling like a kid again
let the mammal in, hump ya like a camel skin
into her lions den, tiger dawg in this bitch

woof woof like clifford no comic sh!t

she open it but bite them lips like pirahnas heads
put yo face way down, youz a gold digga
sayin' flippa new city but that ass bigga
young money n!gga, we don't know none these n!ggas
his girlfriend da only thing i remember ca-cause..
[chorus]she just wanna do it all day she dont even take a breather
she just wanna walk around my place in my wife beater
she just wanna do it all day she dont even take a breather
she just wanna walk around my place in my wife beater
[verse 3]she got stamina, she got endurance
she drive my d!ck crazy, i need insurance

she f*ckin em 14 weeks straight, c*ckin that 10 form
she f*ck like a porn star, be bouncin like a bad check
head goin up and down like hydrolics in her neck
t-shirt with no panties on
she throw it back with no pain
and i aint talkin no domestic violence,
but she'll take your wife beater
[verse 4]i don't know what to tell ya,
ca ca can't answer the phone imma have to email ya
she up in the spot, i just beat it round the clock
wife beater and some socks, wife beater and some socks
