Unapologetically

Kelsea Ballerini

They're gonna say I fell too fast
They're gonna say it's never gonna last
And before it's too late I should just back away
Yeah, they're gonna say that
He ain't the kind to hold my hand
He ain't gonna try to understand
Nothing under the surface
He's just looking for a pretty faceBut they got it all wrong
And I got it all right
They say they just don't see it
But I saw it at first sight
And I'm unapologetically in love
And I'm so unapologetically in love
No matter where it takes me
Even if it breaks me
I'm unapologetically all in
From the second that I started falling
It don't even phase me
When they call me crazy
I'm unapologetically in love
I'm unapologetically in loveSo I could care less if I'm being careless
Might wreck me to be reckless
But I'd rather fall apart than
Love half-hearted
Well maybe it's true that you know when you know
And then again maybe you don't
But when you find a diamond
You can't keep it from shining
And I'm unapologetically in love
And I'm so unapologetically in love
No matter where it takes me
Even if it breaks me
I'm unapologetically all in
From the second that I started falling
It don't even phase me
When they call me crazy
I'm unapologetically in love
I'm unapologetically in loveLife of my party
He keeps my eyes starry

I'm so sorry for not being sorryI'm unapologetically in love
I'm unapologetically in loveI'm unapologetically in love
And I'm so unapologetically in love
No matter where it takes me
Even if it breaks me
I'm unapologetically all in
From the second that I started falling
It don't even phase me
When they call me crazy
I'm unapologetically in love
I'm unapologetically in loveAnd they're gonna say I fell too fast
Yeah, they're gonna say it's never gonna last, no
I'm unapologeticallyWise men say only fools rush in
But I can't help falling in love with you
