Full of Cheer

Home Free

Well, I walked to the window just in time to see her taillights fading in the snow.
It seems all she left behind was a note that said, "Sorry, I must go."
Did she really leave me here all alone this time of year?

I'm gonna save an arm and a leg this Christmas.
I'm gonna have some money come New Year.
Bells are ringing, choirs are singing, and my pockets are jingling
and my baby left me full of cheer.

Joy to the world my baby's gone
My future's never looked so bright
And truth be told I can't recall the last time I enjoyed a silent.
Fire up the Yule tied log
And pour me a bucket full of nog.

I'm gonna save an arm and a leg this Christmas.
I'm gonna have some money come New Year.
Bells are ringing, choirs are singing, and my pockets are jingling
and my baby left me full of cheer.

I just gotta a Christmas card
With a note from dear old mom
She said the family's all chipped in
And paid for my account at match.com oh

I'm gonna save an arm and a leg this Christmas.
I'm gonna have some money come New Year.
Bells are ringing, choirs are singing, and my pockets are jingling
and my baby left me full of cheer,
my baby left me full of cheer,
my baby left me full of cheer.
HEY!
