Great I Am

Great I Am - Lyrics (Ope Boroffice)

Holy, Holy is your name
Ever you remain the same
Lord your mercy is all I see
You provide my every need

Holy, Holy is your name
How Majestic is your reign
Earth & heaven sing your praise
With my voiceÂ I'll join and sing

Chorus:
You are the great I Am
You are the living Word
There's no one else like you
There's no one else like you

Verse:
Lord you saved me from the fall
And you hear me when I call
I'll listen to your voice
I'll surrender to your choice

In my weakness you're my strength
In my darkness you shine bright
You have crowned me with your love
With this rob I'll praise and sing.

Chorus:
You are the great I Am
You are the living Word
There's no one else like you
There's no one else like you

Chorus:
You are the great I Am
You are the living Word
There's no one else like you

There's no one else like you

Verse:
I bow my life to you
On bended knees I'll worship you
I'll give my all to you
I'll stand in awe of your Holy name

I bow my life to you
On bended knees I'll worship you
I'll give my all to you
I'll stand in awe.....

Chorus:
You are the great I Am
You are the living Word
There's no one else like you
There's no one else like you

Chorus:
You are the great I Am
You are the living Word
There's no one else like you
There's no one else like you

Chorus:
You are the great I Am
You are the living Word
There's no one else like you
There's no one else like you

I will worship you.
