

Let the Good Times Roll (feat. Zucchero)

B.B. King

Hey, everybody, let's have some fun
You only live but once
And when you're dead you're done So let the good times roll
Let the good times roll
I don't care if you're young or old
Get together, let the good times roll Don't sit there mumblin', talkin' trash
If you wanna have a ball
You gotta spend some cash So let the good times roll
Let the good times roll
I don't care if you're young or old
Go out and get together, let the good times roll Hey Mr. Landlord, lock up all the doors
When the police comes around
Just tell them that the joint is closed And let the good times roll
Let the good times roll
I don't care if you're young or old
Get up and get together and let the good times roll Hey everybody, tell everybody
That B.B. King's in town
I got a dollar and a quarter
Just rarin' to clown
But don't let nobody play me cheap
I got fifty cents more that I'm gonna keep So let the good times roll
Let the good times roll
I don't care if you're young or old
Get together and let the good times roll Let the good times roll, let the good times roll
Let the good times roll, let the good times roll
I don't care if you're young or old
Get together, let the good times roll Let the good times roll, let the good times roll
Let the good times roll, let the good times roll
I don't care if you're young or old
Go on and get together and let the good times roll Let the good times roll, let the good times roll
Let the good times roll, let the good times roll
I don't care if you're young or old
Get together, let the good times roll
