

Jesus Just Left Chicago (Live from Nashville)

ZZ Top

Jesus just left Chicago
And He's bound for New Orleans
Well now, Jesus just left Chicago
And He's bound for New Orleans Workin' from one end to the other
And all points in between Took a jump through Mississippi
Well, muddy water turned to wine
Took a jump through Mississippi
Muddy water turned to wine Then I out to California through the forests and the pines
Oh, take me with You, Jesus You might not see him in person
But he'll see you just the same
You might not see him in person
But he'll see you just the same You don't have to worry
'Cause takin' care of business is his name
