

Crucifixion

JCS

We deny gods and his rule
We defy him supreme force
Crucified by the dark power
 His death was a glory
Forgotten by our mind forever
He's left the churches to torment us
 We'll destroy the high altar
Until we see the ashes of painCrucifixionWe'll show to the world our hate
 The priests will have their final torment
We'll spit on the churches, e have an ideal
 Black tortures you'll feel
 The mankind goes to suicide
They have faith in gods as false as their name
 Christ, preacher of goodness and beauty
Gods, preachers of lies and destructionThe gods grave doors
 Is below his brain's
 Rottenness and dirtiness go out
 By a simple prayer of mercy
The treason of his death will be your blame
 Your master is buried in the abyss
 The dead, they already celebrate his arrival
In the altar of fallen gods, throne of his own existence
