

Soulcrusher (Radio Edit)

Operator

He's an innovator
Don't care what you give up
He's one of the ones
You hate that you love but you can't get enough So get your head out your ass now
Quit wasting my time
We won't live forever
So make up your mind Soulcrusher, no other
Soulcrusher don't give a fuck about you He's the old unforgiver
The cold shoulder giver
He's one of the ones
You hate that you love but you can't get enough So get your head out your ass now
Quit wasting my time
We won't live forever
So make up your mind Soulcrusher, no other
Soulcrusher don't give a fuck about you
Soulcrusher, no other
Soulcrusher don't give a fuck about you First we live and then we die
Cannot get another try
Everyday we lose tonight
Nothing matters if it's right Can I get another life?
Go through and make it right
If I had another one
I don't think I'd give a fuck So get your head out your ass now
Quit wasting my time
We won't live forever
So make up your mind Soulcrusher, no other
Soulcrusher don't give a fuck about you
Soulcrusher, no other
Soulcrusher don't give a fuck
