

Your Own Disaster

Taking Back Sunday

Just think of this and me
as just a few of many things
to lie around
to clutter up your shelves
And I wish you weren't worth the wait
because there's some thing's
I'd like to say to you I don't think that
you know what
you've been missing
'cause I don't think that
you know what
you've been missing I dare you to forget
those marks you left
across my neck
from those nights when we were both
found at our best
I could make this obvious,
and you, you could deny me
all in one breath
you could shrug me off
your shoulders I don't think that
you know what
you've been missing
'cause I don't think that
you know what
you've been missing I don't think that you know
I said I don't think that you know
I said I don't think that you know what you've been missing Hey, lush, have fun
It's the weekend
Hey, lush, have fun Hey, lush, have fun
It's the weekend
Hey, lush, have fun I don't think that
you know what
you've been missing
I don't think that
you know what
you've been missing Just forget me
it's that simple
Just forget me

it's that simple
