

# She Brings The Lightnin' Down

[John Rich](#)

One look and you know what's coming  
Storm cloud is moving in  
Ain't no use in running  
Just take it like a man  
Oh, Lord, what have you started  
Cold front is settin' in  
Shelter, no, you can't find it  
Judgment day is here again  
Oh, you better find some cover  
Ooh, when you hear that rumblin' sound  
Mmm, 'cause there ain't no warning  
Oh, when your woman comes unwound yeah  
She brings the thunder, she brings the lightning down  
The straight line that you've been walking  
Lately is wearing thin  
You can't help but cross it  
Every now and then  
Oh, you better find some cover  
Ooh, when you hear that rumblin' sound  
Mmm, 'cause there ain't no warning  
Oh, when your woman comes unwound yeah  
She brings the thunder, she brings the lightning down  
Oh, you better find some cover  
Ooh, when you hear that rumblin' sound  
Mmm, 'cause there ain't no warning  
Oh, when your woman comes unwound, yeah  
She brings the thunder, she brings the lightning down
