Let Me Know

[Tamar Braxton](#)

Do you feel it in your heart?
Do you, do you feel it?
Do you feel it? like I feel it?
Do you feel it in your soul?
Do you, do you feel it?
Do you feel it? like I feel it?
When you know when it's right
You don't let go
You don't let go
We've been through so many things
Ups and downs and in-betweens
If you need more love for me
I give you more, just let me knowIt's like a love when you wanna and go tell somebody
Same love that put you through hell sometimes
You don't give it up to nobody when you love somebody
When you love somebodyAnd when it breaks your heart
Do you, do you feel it?
Do you feel it? like I feel it?
Lie to your face when you know
Do you, do you feel it?
Do you feel it? like I feel it?
When you cry, you cry and try
You try some more
You try some moreWe've been through so many things
Ups and downs and in-betweens
If you need more love from me
I give you more, just let me knowIt's like a love when you wanna go tell somebody
Same love that put you through hell sometimes
You don't give it up to nobody when you love somebody
When you love somebodyHigh off this good love
You say your kisses make you sure of
Give it to you, give you good love
Turn the lights on, its going down tonight
Let me know if you like it there
We can go deeper babe, don't be scared
Lets fall in love again and again and again
Turn away more, not anymoreIt's like a love when you wanna go tell somebody
Same love that put you through hell sometimes
You don't give it up to nobody when you love somebody

When you love somebodyLet me know
Let me know
Cause I love you
Let me know
Let me know
Let me know
Let me know
