

Danger Zone

[Kavajah](#)

Ha!

Well this is in the begging its now and forever shall be

Kavajamaican essentric

We're living in a danger zone life is nowhere safe nor sound

We're living in a danger zone check the adjective and the pronoun

We're living in a danger zone life nowhere safe nah sound

Living in a danger zone. Danger zone

We're living in a planet full of nuclear energies destructive devices toxic places

So much synthetic materials an dis critical dats why canca patients in de millions
