Sorry Again, Mate

Field Music

I was counting the days and i was counting the reasons I was satisfied everything was fine But you shoudl've never comeShorter shorter no time to spare the ironys there but I can never be sure Shorter shorter it easy here you can blame it all on her but you can never be sureI was waiting in line and i was waiting for something that was years ago i was pretending i knew you should've never wentShorter shorter no time to spare We will soon disappear but you can never be sure Shorter shorter so hard to tell if its cut and dry i can never be surePeople say its easy to tell why do i find it so hard to
