

# 33 "GOD"

## Bon Iver

(When we leave this room it's gone) Is the company stalling?  
We had what we wanted your eyes (When we leave this room it's gone)  
With no word from the former  
I'd be happy as hell, if you stayed for tea  
(I know so well that this is all there is)  
This is how we grow now, woman  
A child ignored  
These will just be places to me now  
The foreman is down  
(When we leave this room it's gone)  
We're rising the stairs We find God and religions to  
Staying at the Ace Hotel  
If the calm would allow  
I would just be floating now  
It would make me pass to let it pass on  
I'm climbing the dash, that skin (Here in this room, this narrow room where life began when we were young last  
night) Well, we walked up on that bolt in the street  
After you tied me in in the driveway of the apartment of his bed  
Sent your sister home in a cab  
Said I would've walked across any thousand lands  
(No not really if you can't)  
I didn't need you that night, not gonna need you anytime  
Was gonna take it as it goes I could go forward in the light  
Well, I'd better fold my clothes (I'll be looking through your eyes)  
All my goodness  
(I'll be looking through your eyes)  
(I'll be looking through your eyes)  
All my goodness to show  
(Why are you so far from saving me?)  
(Why are you so far from saving me?)
