# These Days

## Jennifer Paige

Some days, I couldn't get up
I couldn't get down
Bored of everything
Somehow a little black cloud
Rained over meSomeone was making me mad
Good turned bad
And I lose everything
To get you back
Just to get you backBut
These days the world's alright
The sun shines bright
I'm kicking off the bad dreams
These days, I don't think twiceI walk on light
I'm positively somewhere
These days go on long after you've gone
These days go on long after you've gone
These days go on and on and on and on and onOut of the fire into the swimming pool
Sometimes, I drown my tears
Same old fears come back
Someone was making me illI bet you're still
A two, three, four letter word
Guess you heard
Pretty little birds fly homeBut
These days the sun kicks in
The good guys win
I'm legal in the back seat
These days, I'm safe and soundNot dragged down
You want to know the reason
These days, go on long after you've gone
These days, go on long after you've gone
These days, go on and on and on and on and onThank you for not being here
I feel better when you're not
Sleeping in my head
Tossing and turning
Messing up the sheetsThe love we made was incomplete
Like the shoes on your feet
The same stuff, I've heard it before
That philosophy starting to bore me
Now you won't have to smile and ignore meThese days the karma's right

The sun shines bright
I'm kicking out the bad dreams
These days I don't think twiceI walk on light
I'm positively somewhere
These days go on
(And on and on and on and on)
These days go on
(And on and on and on and on)
These days go on
(And on and on and on and on)Oh yeah, remember these days
On and on and on and on and on
Oh yeah, remember these days
On and on and on and on and on
Oh yeah, remember these days
On and on and on and on and onRemember these days go on
Remember these days go on
Oh yeah, oh yeah
