Grim Skunk

I feel so lost in this great big world
I don't wanna be alone I don't wanna be aloneI've been hanging out waiting for the time to come
When all my childhood doubts and fears would finally be undone
It's hard to find the words to tell you
how it hurts inside when I close my eyes
Never thought it'd be so hard to let you goLooking for an answer I just need something to hold
Another tragic hero walking with a wounded soulI've been hanging on to shadows in my memories
And though now you're gone I can't get you out of my dreams
Sentimental fool I wait around for you I know you're never coming home
Heartbreak of a child living in denial hiding behind blue eyesNever thought it'd be so hard to let you go
Never thought it'd be so hard to let my heart go freeI believed I'd be with you for the rest of my life
I found it hard to leave the loneliness I'd known inside
All I ever wanted wound up broken hearted hanging on so hard to you
It's hard to find the words to tell you how it hurts inside when I close my eyes
Never thought it'd be so hard to let my eyes see
Never thought it'd be so hard to let you go
