Whatever (Radio Version)

Ideal

Yeah, Ideal
Y2 Kay Gee and R.L. collabo
Uh-oh make 'em, make 'em
Make 'em dance to this
Uh yeah Ideal come on
Make 'em, make 'em
Make 'em dance to this
Let's goWhatever you wanna do, uh-huh
Whether it's at the crib or club
It's all up to you, what? What?
Whatever you wanna do
So you wanna groove, uh-huh
Show me how you move, uh-huh
What'cha gonna do? What? What?
Cause I wanna rock with you
Whatever you wanna doTonight you're with me
I'm talking VIP
Cristal, Moet, Don P tonight, oh
Nice suite at the Double Tree
You and me in between the sheets
It's whatever you like baby, tell meI like when you move up close to me
Sexy grinding holding me
Real close cause you're supposed to be, baby
Ideal-
I like it when you put that thing on me
Pushin' it up against the jeans
Makin' it harder in between, babyWhatever you wanna do, uh-huh
Whether it's at the crib or club
It's all up to you, what? What?
Whatever you wanna do
So you wanna groove, uh-huh
Show me how you move, uh-huh
What'cha gonna do? What? What?
Cause I wanna rock with you
Whatever you wanna doTonight I just got paid
Let's hop in the Escalade
Go out on an escapade
Tonight, alright
What sip you choose?

I'll grab your hips and move
And do whatever you like, tell me, tell meI like when you move up close to me
Sexy grinding holding me
Real close cause you're supposed to be, baby
Ideal-
I like it when you put that thing on me
Pushin' it up against the jeans
Makin' it harder in between, babyWhatever you wanna do, uh-huh
Whether it's at the crib or club
It's all up to you, what? What?
Whatever you wanna do
So you wanna groove, uh-huh
Show me how you move, uh-huh
What'cha gonna do? What? What?
Cause I wanna rock with you
Whatever you wanna doYou can choose the place we go
Or stay home with the stereo
You choose the scenario
Tonight your situation
Here's your invitation
Come with me
Whatever you wanna doMake 'em, make 'em
Make 'em dance to this
Uh yeah Ideal come on
Make 'em, make 'em
Make 'em dance to this
Uh yeah uh-oh
Make 'em, make 'em
Make 'em dance to this
Uh yeah Ideal come on
Make 'em, make 'em
Make 'em dance to this
(Come and go with me oh)Whatever you wanna do, uh-huh
Whether it's at the crib or club
It's all up to you, what? What?
Whatever you wanna do
So you wanna groove, uh-huh
Show me how you move, uh-huh
What'cha gonna do? What? What?
Cause I wanna rock with you
Whatever you wanna doCome on show me how you move

Cause I wanna rock with you
