

Fireproof

The National

You keep my secrets
And I keep none
Wish I could go back
And keep some It's fireproof
Nothing breaks your heart
It's fireproof
It's just the way you are You tell me you're waiting
To find someone
Who isn't so hopeless
But there's no one You're fireproof
Nothing breaks your heart
You're fireproof
How'd you get so far You're the needle in the hay
The water at the door
You're a million miles away
Doesn't matter anymore Jennifer you are not the only reason
My head is boiling and my hands are freezing
Jennifer you are not the only one
That sit awake until the wild feelings leave Nothing breaks your heart
It's fireproof
It's just the way you are
You're fireproof That's what you always say
You're fireproof
I wish was that way
